I worked as a miner in the Thayvian gold mines until just a few years ago. Then weird things started happening in the mines; the ghosts of dead miners re-appeared and warned us that something was coming that would devour the light. I had already been trained as a battle mind to defend miners against creatures of the dark, but now realized that I would need to venture to the outside world. A friend of mine who was a cleric of Moradin joined me and we captured one of the ghost miners. We could not get much out of his deceased mind, but he uttered the word "Waterdeep" and so that is where I headed to find answers ...
