Fencing

Appearance **Acrobatic:** +1 to create advantage with terrain/furniture

Edge **Impenetrable:** Increase armor value by +1

Main hand **Saber:** When I invoke a situation aspect about fencing style I created as an obstacle, increase opposition by +1.

Off Hand **Main Gauche:** When I succeed with style on defense, I may deal a 2-shift physical hit instead of gaining a boost.

Stunts

Because I am a gourmand, I gain a +2 bonus when creating an advantage using food or drink.

There are four basic human needs; food, sleep, sex and revenge
